In Reply Please Refer to Case No. 97-0684

Dear Ms. Grubaugh-Littig:

After review of the file concerning this mine site, our office notes that a determination of No Adverse Effect was issued for this mine August 3rd of 1998 in response to a BLM request. Subsequently, our office has written to Trust Lands affirming that same opinion. If there is a problem, please let our office know.

This information is provided on request to assist DOGM with its Section 106 responsibilities as specified in §36CFR800. If you have questions, please contact me at (801) 533-3555. My email address is: jdykman@state.ut.us
